

CHRIST CHURCH WOODBURY

Our church will be ... broader through service

Clive Hughes 17 May 2009

Questions to reflect on:

- Am I living in the grace of God each day?
Seeing others and myself with humility and sober judgement?
 - What is holding me back from accepting God's call to serve him?
 - In what way can I see myself passionately serving others and loving it?
 - What God given ability or experience can I offer to my church?
 - What aspects of my character need transforming to enable me to serve?
